

Steps to showing the Church Calendar in your Google Calendar:

(Also works with any calendar that accepts iCal feeds: Google, Outlook, Apple Calendar, etc.)

1. Login to your Google profile and navigate to the Google Calendar page:
<https://www.google.com/calendar/>
2. On the left side of the page, look for “Other Calendars” and click the down arrow next to it. Select “Add by URL” from the list that appears.

3. In the “URL” box provided, type (or paste): <http://thecausechurch.org/calendarfeed> ... and click “Add Calendar”.
4. You will now see “The Cause Church” Calendar listed in your calendar options.
Note: You can turn this new calendar on and off by simply clicking on it.
Note: Be patient, it may take a couple of minutes for the events to be completely imported.
